

## Home Groups | Week 6 [10.16.16]

### True North | 1 Corinthians 11:17-26; 12:12-13

#### Icebreaker:

What are some things you have collected on your travels or from important events that are symbols or remembrances of something meaningful for you or your family?

**Read:** 1 Corinthians 11:17-26; 12:12-13.

#### Discuss:

1. 1 Corinthians 11 points out the division that was already occurring in the early church. Where do you see division in our churches today? What might we do to help bring unity in such divisive times?
2. When we baptize individuals, we as a congregation are asked whether we will: tell these new disciples the good news of the gospel; help them know all that Christ commands; support them as needed; and, by our fellowship, strengthen their ties to the church? In what ways are we as a church doing these things? In what ways are you as an individual doing them?
3. Were you baptized as an infant or an adult? What is the significance of each?
4. For many Christians, baptism is an outward sign of an inward decision. So what does baptism mean to you?
5. When you take communion, what do you think of when you hold the bread and the cup before you eat and drink? What do these elements mean to you?
6. In the Early Church, the Lord's Supper was often served in people's homes. We don't tend to do that today, but do you still see a connection between hospitality and communion? In what ways do you see communion connecting with how you live daily?

#### As your group closes, please keep the following prayer requests in mind:

- > Prayers of healing for Wanda Baker.
- > We celebrate with Betsy and Michal Howden in the birth of their grandson Graham Harrison.
- > Prayers of comfort for Kelly and Jim Wendt and family in the death of Kelly's sister.
