Building for God's Kingdom | Matthew 13:31-33

Icebreaker:

Can you think of a time when something in your life developed very slowly? Please share with your group.

Read this week's scripture and discuss:

1. Jesus says the mustard seed is the smallest of all the seeds. What aspects of Jesus' ministry or the Kingdom of God seem small?
2. In Genesis 2 and 3, the tree of life represents the presence of God. Why can a tree be a helpful image of God's presence?
3. In Mark's version of the parable (Mark 4:30-32), it says the mustard seed grows "so that the birds of the air can make nests in its shade." What do you think this means? Where have you found "shade" in your life?
4. Do you think society pressures you to make a big impact in the world? If so, in what ways?
5. When was a time you felt your faith was small and God used it?
6. Is there any lesson to be learned that Jesus didn't start his visible ministry until he was 30 years old (Luke 3:23)?

Prayer:

As you pray for one another, please pray for the following needs in our church family:

prayer requests

> Prayers of healing for Regina Franks.

[The following are from ZPC's prayer calendar, which is available at the Welcome Center or at zpc.org/prayer.]

> Pray for Mark and Ruth McDowell as they bring the gospel to the people in the Philippines and as they glorify God by making disciples and planting churches.

> May Kairos Prison Ministry bring the light, love and friendship of Jesus Christ into the lives of prisoners and their families. Help them accept God's forgiveness and learn they are loved.
