Building for God's Kingdom | Sabbath

Genesis 2:1-3

Icebreaker:

What is your favorite day of the week and why?

Read this week's scripture and discuss:

1. Since we believe God is omnipotent, all-powerful, why did God rest? If we were created in the image of God, what does that suggest about our resting?
2. Is Sabbath a rule to be followed or a gift to be received? Why?
3. Read Exodus 20:8-11 and Deuteronomy 5:12-15. What differences do you see in these two passages? Why is it important to notice the differences?
4. Sabbath means literally taking a break. Do you or someone you know wrestle with taking a break from work? Why do you think this is so?
5. David Lomas said, "Sabbath reminds us that we are loved for who we are, not for what we can produce...Sabbath does not exist for what it gives us, nor how it helps us, but for the way it equips us to live out our truest identity. We are not human doings, but human beings." What stands out to you in this quote? What do you like or not like?
6. N.T. Wright said, "For the Jews, taking a Sabbath identified them as different from the pagan neighbors." What would it look like today to be counter-cultural if we practice the Sabbath?
7. What is one Sabbath practice you committed to in worship? Or if you weren't in worship, what is one Sabbath practice you can commit to now?

Prayer:

As you pray for one another, please pray for the following needs in our church family:

prayer requests

- > Prayers of healing for Robert Neal, Regina Franks, and Carol Strickland.
- > Prayers of comfort for the family and friends of Barbara Sloop in her passing and for Jim and Heather Lehr in the death of Jim's mom.

[The following are from ZPC's prayer calendar, which is available at the Welcome Center or at zpc.org/prayer.]

- > Pray for Dan Mc Nerney and others with Frontier Fellowship. May they continue to reach people around the world with the word of the Gospel and be protected as they serve in this role.
- > Pray that God will bless, strengthen, and guide ZPC's corporation officers and other leaders at ZPC.
