We welcome Marilyn Borst this morning. Sermon Notes:

Prayer after service: If you would like someone to pray with or for you, please go to the west alcove in the Sanctuary after the service. It would be our privilege to pray on your behalf.

Home Groups are coming!

- How do we join God in the work he is doing so our world looks more like the Kingdom of God when we go to bed than when we woke up?
- How do we continue to allow God to shape us so we are more and more like Jesus?

These are pretty tall orders and certainly not things that happen quickly. Transformation takes time and intentionality among other things. A good place to start is being in a ZPC Home Group. Our groups meet in homes for 3 sessions each year. The first session for this season starts the week of September 9.

Here are some small ways ZPC Home Groups have made a difference in the Kingdom and in the lives of their members:

"We have seen reluctant group members become really connected."

"Our group feels comfortable sharing with one another. I really like the way we care for each other."

"Our group enjoyed serving a meal to the students at Str8Up Ministries this year!"

"Ours is a newer group and it has been a privilege to see how God brought us together...so many similarities and connections within the group."

"We include our kids in our prayer time. It's a great way to involve them."

"We enjoy the connection we have with people and how we are able to support one another as we experience similar challenges."

To join a ZPC Home Group or get more info, visit zpc.org/home-groups or sign up in the Gathering Space this fall.
