## Home Groups | Week 1

### Being shaped like Jesus | 2 Corinthians 3:12-18

#### Icebreaker:

Share one funny story or highlight from summer 2018.

#### Read scripture and discuss:

1. Read Exodus 34:29-35 to better understand Moses's literal veil. What do you think the word veil originally meant? What are things that metaphorically serve as a veil that keep us from seeing God?
2. The phrase "being transformed into his image" is in the passive tense. This implies we are not the primary agents of the transformation. Why is this important? Who does the transforming?
3. The NIV translation of verse 18 reads "And we all, who with unveiled faces contemplate the Lord's glory, are being transformed..." What do you think it means to "contemplate" in this context?
4. Looking more like Jesus is a process (see verses 16-18). What changes in your life do you notice since you "turned to the Lord" (v. 16)? How have you noticed ways in which you have already been transformed?
5. When it comes to your own journey of faith, what would you say is the goal? If you had to quickly say why the church exists, what would you say?
6. Christopher Ben Simpson said, "authenticity is a lie. You are mutable. Don't be yourself – become Christ." Do you resonate with this quote or not? Why or why not? Does this quote challenge you?
7. This fall sermon series is called "Being Shaped Like Jesus." If you had to describe Jesus, how would you do it?

#### Prayer:

As you pray for one another, please pray for the following needs in our church family:

## prayer requests
