			Worldwide Medical Research 1	Technology 2	Fervant Faith 3	Fun with Families 4
			Heavenly Father, we ask that you give wisdom, knowledge, data, and organization to everyone doing research to treat and prevent COVID-19.	Lord, we are grateful for computers and mobile phones during this crisis. Help us to use new and old technologies to stay connected.	We humbly ask God to reach each of us where we are right now. Grow our faith even as we feel anxiety and face hardship.	Lord, show us ways to have fun being together at home. Motivate us to play games, take walks, and discover new or shared interests.
Palm Sunday 5	Missionaries Back Home in USA 6	Deacon Callers 7	Passover 8	Maundy Thursday 9	Good Friday 10	Beauty of Spring 11
God, focus our minds on your Word. Remind us of the story of Palm Sunday. Remind us of your sovereign plans. Remind us of your kingship.	We ask our Lord to bless and protect missionaries who have returned to the US now. Help them share their stories, share your love, and have rest.	Strengthen our deacons as they reach out to ZPC's senior saints. Use their words to bring hope and comfort.	Lord, bring to our minds the rich history of your relationship with those who trust you. From ancient times, you have led your people, as we read in the Bible.	Though we are not gathering in the same room, may we enjoy a sense of kinship through worship as we reflect on the events of Holy Week.	Lord, your ultimate sacrifice is beyond what we can imagine. May we offer our trust as our truest thank-you.	Creation continually amazes and inspires us. Thank you for the beauty of new grass, dancing daffodils, and birdsong.
EASTER 12	Missionaries Abroad 13	Steve & Amy Parlato 14	Global Needs 15	Healthcare Providers 16	Food Pantry 17	Uplifting Books 18
He is Risen! He is Risen indeed! Lord, we ask you to fill us with deep joy as we meditate on this.	For missionaries who are staying abroad, we ask God to protect their health and their ministries.	With the Parlatos back in the US, we ask your blessing on the time of fellowship they are planning through tonight's video conference about their work in Thailand.	Lord, we ask big prayers in a time of big needs. We pray that you would heal our world. We pray that we would repent from dishonoring you. We pray that the pandemic would end.	We thank God for people who are caring for those who are sick. Give them immunity and compassion. Give them support from their families.	Lord, as this ministry continues at ZPC, we praise you for the volunteers. May their efforts and the food items bless those receiving them.	Help us to find and read uplifting books. The teachings and experiences of Christian authors are a gift. So are many picture books and classic novels. Let us enjoy these!
Our Pastors 19	People in Poverty 20	Community Assistance Team 21	Earth Day 22	Peaceful Hearts 23	Ramadan 24	Arts & Crafts 25
Lord, bless our pastors. Give them creativity and calm as they continue to lead in new ways.	For those who need daily wages to purchase basic necessities, we ask God to provide. Many people's work has been temporarily shut down. Lord, meet their needs.	Lord, we ask that you help this team find effective new ways to serve those in financial need who approach the church requesting help.	Heavenly Father, we enjoy the beauty and wonder of the natural world around us. Help us to be good stewards of the air, water, and soil.	We thank you, Lord, for your promises throughout the Psalms. On this 23rd day, let us reflect on the 23rd Psalm. You lead us; you comfort us; you prepare a table for us.	Lord, make us mindful of those around the world who do not know you. We pray specifically for Muslims to come to know you. We pray that we are witnesses to your love.	Lord, as we use our hands and minds to craft and create, we often experience peace and joy. Give us energy to try new things and courage to create.
Adult Ministries 26	Outreach, Inc. 27	Courage 28	Wisdom for Leaders 29	Music 30		
We ask God to continue to raise spiritual teachers for adult ministries at ZPC. Help us connect with and learn from them.	Lord, our hearts go out to homeless people in our surrounding communities. May they find shelter, food, and faith in you through Wheeler Mission and Outreach, Inc.	We are all learning new ways to do our jobs, stay in touch with family and friends, and structure our days. Give us courage each morning to do this.	Gracious God, give our national and local leaders wisdom. Provide them the knowledge and resources they need to lead well.	We thank you, God, for the gift of music. Lead us to praise you through music. Lead us to find the healing it brings. Help us celebrate and connect through song.
