

# zpcHSM

At ZPC, we are a community for anyone and everyone. We are a people who are seeking to understand Christ, spirituality, and what it means to live lives that love others actively. Questions and curiosity, creativity and concern are all necessary when exploring who God is and who God made us to be.

- HSM meets Sunday evenings from 6-7:30 pm in the HSM room. We eat dinner, enjoy each other's company, play games and learn more about our Creator. Come and bring a friend!
- Join a student home group! We realize that life is better lived within a community and home groups provide a place for building relationships and spiritual growth. To get plugged into a group, go to [zpc.horg/hsm](http://zpc.horg/hsm) or find someone on the Student Ministry team.
