

Drenched in Love

Oh precious is the flow
That makes me white as snow
No other fount I know
I am washed I am washed
I am drenched in love

All souls atoned by the blood of the Lamb
I'm not a slave to what once held me damned
How beautiful that cleansing flood
I am washed I am washed
I am drenched in love

Oh precious is the flow
That makes me white as snow
No other fount I know
I am washed I am washed
I am drenched in love

Oh oh oh

All filth made clean in that crimson sea
I'm not ashamed of what once shackled me
How infinite that grace divine
I am free I am free I am a child of God

Oh precious is the flow
That makes me white as snow
No other fount I know
I am washed I am washed
I am drenched in love

Oh oh oh

How priceless how precious
There is power in the blood of Jesus
How priceless how precious
There is power in the blood of Jesus

There's power power wonder working power
In the blood of the Lamb
There's power power wonder working power
In the blood of the Lamb

I was buried deep with Christ my Lord
Now I'm raised to life forevermore
My name's been carved upon Your heart
No not death no not hell could ever rip us apart

Oh precious is the flow

That makes me white as snow
No other fount I know
I am washed I am washed
I am drenched in love

Oh precious is the flow
That makes me white as snow
No other fount I know
I am washed I am washed
I am drenched in love

I am washed I am washed
I am drenched in love
I am washed I am washed
I am drenched in love

Hosanna (Praise Is Rising)

Praise is rising
Eyes are turning to You
We turn to You
Hope is stirring
Hearts are yearning for You
We long for You

'Cause when we see You
We find strength to face the day
In Your presence
All our fears are washed away
Washed away

Hosanna hosanna
You are the God who saves us
Worthy of all our praises
Hosanna hosanna
Come have Your way among us
We welcome You here Lord Jesus

Hear the sound of
Hearts returning to You
We turn to You
In Your Kingdom
Broken lives are made new
You make us new

'Cause when we see You
We find strength to face the day
In Your presence
All our fears are washed away

Washed away

Hosanna hosanna
You are the God who saves us
Worthy of all our praises
Hosanna hosanna
Come have Your way among us
We welcome You here Lord Jesus

Come have Your way among us
We welcome You here Lord Jesus

Indescribable

From the highest of heights to the depths of the sea
Creation's revealing Your majesty
From the colors of Fall to the fragrance of Spring
Ev'ry creature unique in the song that it sings
All exclaiming

Indescribable uncontainable
You placed the stars in the sky
And You know them by name
You are amazing God
All powerful untamable
Awestruck we fall to our knees
As we humbly proclaim
You are amazing God

Who has told ev'ry lightning bolt where it should go
Or seen heavenly storehouses laden with snow
Who imagined the sun and gives source to its light
Yet conceals it to bring us the coolness of night
None can fathom

Indescribable uncontainable
You placed the stars in the sky
And You know them by name
You are amazing God
Incomparable unchangeable
You see the depths of my heart
And You love me the same
You are amazing God

Indescribable uncontainable
You placed the stars in the sky
And You know them by name
You are amazing God
All powerful untamable
Awestruck we fall to our knees

As we humbly proclaim
You are amazing God

Doxology

Praise God from Whom all blessings flow
Praise Him all creatures here below
Praise Him above ye heavenly host
Praise Father Son and Holy Ghost Amen

The Blessing

The Lord bless you
And keep you
Make his face shine upon you
And be gracious to you
The Lord turn his Face toward you
And give you peace

Amen Amen Amen

May his favor
Be upon you
And a thousand generations
And your family
And your children
And their children

May his presence
Go before you
And behind you
And beside you
All around you
And within you
He is with you
He is with you
In the morning
In the evening
In your coming
And your going
In your weeping
And rejoicing
He is for you
He is for you
He is for you He is for you

Amen Amen Amen
