zpcMSM

At ZPC, we are a community for anyone and everyone. We are a people who are seeking to understand Christ, spirituality, and what it means to live lives that love others actively. Questions and curiosity, creativity and concern are all necessary when exploring who God is and who God made us to be.

- MSM meets Sunday mornings from 9-10 pm in room 205 (upstairs). We have a yummy snack, enjoy each other's company, play games and learn more about our Creator. Come and bring a friend!
- **eTeen** is a Community Bible Study for middle schoolers that meets on Wednesday nights from late August to mid-March. It is open to all Northwest Indy students from all backgrounds. Join us on Wednesday nights!
