		Pray for women to feel led to join this ministry and to follow-through by signing up today on our church website.	Pray for this ministry to flourish as mothers in our community gather to grow in friendship and wisdom as they enjoy time together.	Bless the men who wake up early to meet before work and share prayer and scripture each Thursday. May they be a light to others.	Pray for individuals to think about the movies and TV shows they choose to watch. May our choices be pleasing to God.	May Jesus be glorified through each act of service and song during this weekend. Bring wholeness and healing to each guest.

Pray that the men attending this class will feel loved by God. Pray that they model his attitudes as they grow in Biblical manhood.	Pray that God would fill the hearts of each person working to maintain and care for ZPC's buildings and grounds. May they feel appreciated.	Ask God to bless our senior members with health and peace. May they enjoy their lunch and activity today as they meet for fellowship.	On this Jewish holiday, we think of friends of other faiths. We pray that all peoples will seek forgiveness for sins and will experience the awe God inspires.	We pray for this ministry team to be creative and close-knit. May each worship leader and musician celebrate their faith through the gift of music they share.	May God use our members' hands and hearts to meet tangible needs in the people they serve. Grant them safe travels and a generous spirit.	As many take a break from routines during time off from school or work, we ask God to fill us with a sense of renewal. "Create in us a clean heart, O God."
High School Ministry (HSM) 13	ZPC Elders 14	Frontier Fellowship 15	Haiti 16	Team Expansion 17	MOPS 18	Team World Vision 19
Pray for high school students in our community to feel valued and significant. Pray for HSM to have a positive role in their lives.	We ask God to guide and lead our Session. Grant the board a sense of common purpose and inclusion. Help each person to contribute their unique gifts and experiences.	As countries such as Saudi Arabi begin to crack open a door to certain freedoms, we pray that missions such as Frontier Fellowship will bring the light of Christ to them.	We ask our Lord to help us meet specific needs of ministries such as Fondation Momprince Thomas in Haiti. They need a strong diesel truck and funds to expand a school.	As missionaries spread the gospel among Muslims in North Africa, we praise God for the people they are bringing to Christ. We ask Him to protect them from persecution.	As mothers of young children meet at ZPC today, may they be strengthened and refreshed by their time together. Give them patience, gentleness, and joy.	We ask for blessing on the runners and walkers as they go on their longest training run of the season today. Grant them strength and encouragement.
ZPC Men Serving MSM 20	ZPC Pastors 21	Central American Theol. Seminary 22	Noah's Ark Childcare 23	Soul Sisters Bible Study 24	OMF Mongolia 25	Spain 26
As men from ZPC cook pancakes for our middle schoolers, may they listen well to our youth. Pray that a sense of community and family grows from their service.	May God give rest to our pastors today. May they enjoy time with their families. May they feel energized to fulfill their goals and encouraged in their ongoing ministry.	We lift up the missionary we support at this seminary in Guatemala. May she succeed in the courses she is teaching this season.	We ask for prayers for the staff and children of Noah's Ark. Bring a special spark of joy to their games and interactions today.	Bless the leaders and participants of this weekly study for women. Encourage new members to stop in and current members to welcome them warmly.	The population, food supply, and modern conveniences have increased here. But missionaries continue to see rampant alcoholism and despair. Bless these people.	We ask the Holy Spirit to move in the hearts of the people of this country. Prepare them for the workers who will travel there to spread God's love.
ZPC Building Project 27	OMF Phillipines 28	Middle East 29	Kairos Prison Ministry 30	Holiness and Safety 31		
As a team works with architects and others to propose a remodel of ZPC's building, we ask God to give them a clear vision and a compassionate spirit.	Pray for funds to be raised to meet the thousands of dollars needed for their church building project. They seek wisdom about praying for Hong Kong.	We pray as a worldwide church for peace and the will of God to reign in this region. Guide us toward truth and guide leaders toward reconciliation.	Pray that the volunteers leading this ministry will be effective in their planning and sincere in their witness. May God give hope to the incarcerated.	As people celebrate Halloween, ask the Holy Spirit to protect them, both physically and spiritually. Guard their hearts and minds from darkness and evil.
